

## Avon HGPG Club Trophy Rules

Prizes and medals are only awarded to full Avon club members (apart from The Bash Challenge).

In case of dispute, in all cases, the Committee's decision is binding.

Prizes are awarded the following year at the Awards Dinner (usually held in February).

### **Medals**

Medals will be awarded to any HG and PG pilots who achieve the following distances:

10km, 25km, 50km, 100km, 100miles, 200km, 300km, 400km, 500km and all higher multiples of 100km(!)

### Notes:

- Open only to paid up full Avon members
- Winch or hill launch flight in the UK
- It is up to the pilots concerned to make the Committee aware of their flight(s) in a timely manner
- Pilots can only obtain one medal for a particular distance in a particular discipline (HG or PG) i.e. a pilot could get a medal for achieving 100km on a PG as well as a 100km medal on a HG
- If a pilot flies a particular distance they only get a medal for the highest qualifying distance i.e. if they flew 110km they would, if they hadn't achieved a 100km medal before, only get a 100km medal - they would not get medals for the other distances they exceeded e.g. 10, 25, 50km
- The flight is the straight-line distance, with no multipliers applied, where the flight does not infringe airspace (as defined by XCLeague, which includes Parachute Drop Zones).
- There is no requirement to enter a flight into a recognised league, although if there is any reasonable doubt about airspace infringement then the pilot will be asked to provide a valid tracklog. If this cannot be provided then the flight will not be considered.
- Medals will be presented at Club evenings

### **1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> best placed Avon PG Pilot in the UK 'Summer' XCLeague**

- Flights must be entered into the UK XCLeague and must be valid in the eyes of the League

- The total cumulative scoring points for the pilot will decide their position (the number of scoring flights will be that set by the rules of the XCLeague).
